**IMPORTANT NOTES FOR REGISTRATION:**

Before you apply for this course: We want to ensure you are well prepared, so before applying, please talk to your corps officer or line manager. We ask that they approve anyone attending this course, and they will need to fill out the 'line manager's authorisation' on this form.

Entrance to this course is at the discretion of the Centre for Leadership Development. To ensure that you and other participants are in a safe environment, the facilitators' reserve the right to review your involvement in the programme, should difficulties arise.

**1. Accommodation:**

This is not included in the course costs, however we are pleased to offer some accommodation on-site at very reasonable rates. Please indicate on the registration form if you would like to stay at BCM, and your check-in and check-out dates. Note that space is limited, so if we cannot offer you a place at BCM we may contact you with a list of nearby motels as an alternative. Transport can be arranged to and from these motels. Payment for accommodation will be either your own personal responsibility or the responsibility of your centre/corps.

**2. Free shuttle service**

We have a shuttle service to get you to and from Booth College, which departs Wellington airport 1½ hours before your course start time, and leaves BCM shortly after the end of the course. Please indicate on your registration form if you would like to use this service. Make sure you arrive at the airport in plenty of time to catch the shuttle. **If arriving at any other time, please make your own transport arrangements to BCM or contact us prior to booking.**

**3. Travel subsidy**

We want your travel to fit in with your needs, which is why we ask you to make your own travel arrangements using the most cost effective option. If you live close by, travelling by car will often be the best option; but if you live further away we will pay for flights. Please wait until you have received written confirmation of your place on the course, before making any bookings. Once you have received confirmation, make any flight arrangements required with your corps or line manager as soon as possible, to get the best flight deals.

**Please note that travel repayments are now subject to maximum limits.**

If flying, the limits for your entire journey (both to BCM and home again) are (excluding GST): \$300 for travel from Auckland, Christchurch and Nelson, \$400 from Hamilton, Dunedin and Invercargill, and \$600 for flights from any other centre. If driving (pre-approval required) reimbursement of mileage will be repaid as per the official minute up to a maximum of 500 kms.

If you cannot arrange transport within these cost limits you must seek approval from CLD prior to booking your flights. If you do not seek prior approval, you will only be refunded up to the maximum limit for your centre.

Once you have booked your flights, provide us with a copy of your flight details (e-tickets with full billing information are preferred) two weeks prior to the commencement of the course, so that shuttle bookings can be made. We will reimburse the cost of fares upon your attendance at the course.

Claims for reimbursement of mileage should be made (on the CLD travel reimbursement form) within 10 working days of the course completion. Note however that for those staying offsite, this will only cover your travel to the first day of the course and home following the final session.

See the *Travel Reimbursement Policy* for more details.

**4. The Fees:**

Our course fees are heavily subsidised for Salvationists, in order to give as many people as possible the chance to attend. There will still be a cost, which covers

- course materials
- teaching from leaders in their field
- refreshments at each course break
- lunch and an evening meal, catered by Booth College of Mission.

Please make any required payment arrangements with your corps or line manager, do not send us money directly.

**5. Timetable & Meals:**

Once your place on the course has been confirmed we will send you an introduction letter with a full timetable.

As sharing is an important part of the course we would ask that you join us for all meals, including lunch and an evening meal. If you have any dietary issues you must note this on the front of the form every time you register for a course. We do not retain records of dietary issues from previous visits.

**6. Cancellations:**

No refunds are given if a delegate withdraws from the course after confirmation of their place (except for exceptional circumstances—please discuss this with the CLD Director). Notice of cancellation must be given in writing by letter, email or fax.

You may *change* the delegate who is attending at no charge, providing they comply with the course criteria.

N.B. We are unable to give refunds to course participants who do not complete all parts of the Twelve Steps Workshop.

**7. For the Corps/Centre:**

If receiving fees from the delegate, please ensure that this is the GST-inclusive figure, and account for the GST locally. CLD will journal the cost of the course, GST-exclusive, in accordance with normal procedure.

If you require further information, please contact the BCM Accounts Administrator. Email: [bcm.finance@salvationarmy.org.nz](mailto:bcm.finance@salvationarmy.org.nz) phone: (04) 528 8628

**8. Delegate Info:**

This information is collected to help with course planning, and for logistical purposes (e.g. accommodation allocation). It will remain confidential to the Centre for Leadership Development, and not be used to determine or alter your participation in the course in any way.
